

*** POSTPONED * 1st ANNUAL Gaels Monster Dash * POSTPONED ***

2 November 2011

Due to a number of obstacles, the Booster Club has decided to **postpone** the Monster Dash 5K run/1mile walk scheduled for this Sunday until the spring.

We are leery about the conditions of the reservoir trails and school athletic facilities. We don't want to send folks out into ice or mud.

The girls soccer team is now scheduled to play in a district game about the same time as the event and they were going to be helping us out with the children's portion of things.

Because of the scheduled change, and some family emergencies, a few of our Board members are unavailable to help and we want to make sure that if we hold an event there is full participation.

We don't feel like it would be financially beneficial to hold the event at this time.

Please pass this word on and thank you all for your help and interest in our efforts.

Andrea Vetras Duggan, Pres.
Clinton Gaels Athletic Booster Assoc.
